

FORGIVE TO LIVE

TEN PRINCIPLES OF FORGIVENESS

Forgiveness begins when you ...

1. Accept that life is not fair and that others may play by a different set of rules than you do.
2. Stop blaming others for your circumstances.
3. Understand that you cannot change the person who hurt you; you can change only yourself.
4. Acknowledge the anger and hurt that some unpleasant event is causing you.
5. Re-frame your story of hurt—your "grievance story"—by placing the hurtful events in a broader context than your current point of view.
6. Recognise that only you can make the choice to forgive.
7. Shift your view of the offender as the one with all the power to seeing that person as weak and acting out of their own unresolved hurts and struggles.
8. Intentionally move from victim to victor as you begin to tap into your inner strengths and abilities.
9. Understand that forgiveness will take time and cannot be rushed.
10. Take responsibility for your life and your future.

If you want to live, at some point you must choose to forgive.
